

Dear Senior 1 students,

Listen up! Hangout is about to start!

Come and join our after-school fun club called Hangout! which will meet every other Friday in school till 3.00 pm throughout the scholastic year of 2016 / 2017. It is a place where you will meet old friends and make new ones and together with your teachers, enjoy some time of relaxation and fun in a safe and positive environment.

Hangout! will offer you the opportunity to grow, learn and experience various spiritual, recreational, creative, cultural and community-based activities keeping you always in mind and focussing on helping you develop new and healthy relationships with friends and teachers. It is another step into moving towards becoming confident and competent young ladies through various activities and fun team-building events.

At St. Joseph School we believe that participating and being part of such activities creates a strong sense of well-being as well as a sense of belonging to your school which is so important for you to be a happy and successful student.

So wait no longer! Apply to be part of Hangout! today as we look forward to welcoming you on board as our new Senior 1 students 2016 / 2017.

Hangout! Be there!

Regards,
Ms Pullicino and Ms Shaw
