

# Hopes and Dreams

Everyone has hopes and dreams - things they would like to have, or to be, things they would like to do, or places they would like to go. Some hopes and dreams are small and could happen today. Others are huge and may take a whole lifetime to reach. Some hopes and dreams feel impossible.

Write down three of your hopes and dreams on the sticky notes provided; use the yellow sticky notes for a small hope or dream, something that could happen today. The pink sticky notes for a bigger hope or dream, something that is possible, but might take a long time to achieve. The green sticky notes for a huge hope or dream, something that feels impossible.

Take some time to offer your hopes and dreams to the Lord and then place the sticky notes on the board under the respective cloud.

*Small*  
is having the courage  
to let your  
heart speak.

### Small Dreams

*Just when  
it was about to give up  
it took a little breath  
and the world  
was there.*

*I can do all things  
through Christ  
who strengthens me  
Phil 4:13*

### Big Dreams

*Commit to the Lord  
whatever you do, and your  
plans will succeed.  
Prov 10:23*

*Destiny  
is not given to most people  
to give dreams as you do  
to your future.*

### Bigger Dreams

*Open your heart and invite  
God into every circumstance  
because when God enters the  
room, miracles happen.*
