

God is Good

'O taste and see that the Lord is good' Psalm 34:8

God is kind, merciful, and gracious, to all his people. The goodness of God, includes both the love he showers upon us as well as the gifts he bestows upon us in abundance. The psalmist invites us to seriously, thoroughly, and affectionately ponder upon this fact. We must relish and take delight in his goodness manifested by his gifts.

When we contemplate his infinite and boundless love; we become so convinced and persuaded of his goodness, that we would be encouraged, in the worst of times, and this will help us to trust in him, and cast our cares upon him.

Take a sweet and enjoy its sweet taste.

Take some time to enjoy the goodness of God.

Thank Him for the gifts he has given you.

Write down what you would like to thank God for.
