

# Family Tree

The beginning of November is a time when nature seems to be dying. As Catholics, we begin November by remembering those who have died. We call the first two days of November All Saints Day and All Souls Day.

On All Saints Day and All Souls Day we remember that we are members of the People of God. United with God, we are united with the people who are alive and form part of our community. We are also united with all Christians who have come before us in the Communion of Saints.

- Write your name on one of the leaves
- You may also think of other people who you would like to pray for. Write their name on the leaves
- Fix the leaves on the Family Tree
- Look at the other names hanging on the tree.
- Appreciate that these people all form part of your family
