Emma Manicaro, Greta Caruana, Claire Casha, Kimberly Borg, Ilaria Farrugia Pace, Kristina Mallia, Michela Spiteri Camoin, Chloe Dalli, Mariah Grech

Teacher Leaders:

Ms Erika Scicluna, Ms Mary Rose Formosa, Ms Leanne Cauchi, Mr Lloyd Aquilina Camoin, Ms Jessica Buhagiar, Ms Ilona Zammit, Mr Julian Caruana, Ms Annette Coppini, Ms Sarah Vassallo

Communicating this Scholastic Year

Due to restrictions imposed by this pandemic, the EkoSkola committee will keep in touch with the school community by issuing a leaflet. This leaflet will bear information about discussions held during our weekly meetings. A soft copy of this leaflet will be sent to the community.

Read & Reflect

Please do read our leaflet and if you have any suggestions or would like to contribute to the leaflet, kindly contact us.

Re-usable Masks

Drawing by Chloe Merlevede:
Form 3Alpha

It is strongly recommended to make use of reusable cloth masks instead of disposable ones. Since these masks can be washed and worn numerous times, they are more eco-friendly and less litter is produced. However, in the event that you do use disposable masks, please dispose of them properly.

Marija Cuschieri
Form 2 Alpha

Let's enjoy an Eco-friendly Christmas

- ★ Re-use and recycle Christmas decorations. Avoid buying new items.
- ★ Minimize on the use of wrapping paper.
- ★ If you do wrap gifts, avoid wrapping paper that is plasticated or has glitter on it. Use brown paper and re-use wrapping paper.
- ★ Minimize on the excessive use of lights.
- ★ Plan ahead before shopping for food – this will minimize food waste.
- ★ Do not use single use plastic items such as plastic cutlery and plastic cups.
- ★ Keep in touch with your loved ones by sending electronic messages instead of paper cards.
- ★ Avoid all unnecessary packaging.
- ★ Dispose of your litter in the correct way.
- ★ Keep in mind that it is more important to reduce and re-use

Wishing you and your families all the very best this Christmas.
