Dear Head of School,

On behalf of the EkoSkola National Jury, we would like to thank you for hosting us at your school. Meeting the students was the highlight of the visit. Seeing them genuinely and actively interested in ensuring a good quality of life in their school community was very encouraging and uplifting.

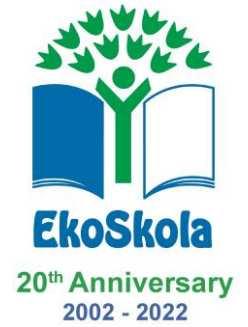

So, with great pleasure, we would like to inform you that the EkoSkola National Jury has unanimously agreed to award your school with **the prestigious Green Flag Award** for the **sixth consecutive time**. For the next two years you can hoist the flag on your school building, display it during school functions and in the foyer, and use the EkoSkola logo (attached) on your letterhead and other school material. You will eventually receive a detailed evaluation report highlighting your targets for development for the coming years.

Please convey our congratulations and best wishes to all the students and staff, whose active participation and involvement have made this event possible.

Congratulations and best regards
